

# Population Growth

## Vocabulary Terms

- Immigration
- Emigration
- Exponential Growth
- Logistic Growth
- Carrying Capacity
- Limiting Factor
- Density Dependent Limiting Factors
- Density Independent Limiting Factors

## Notes from Reading

- What factors affect population growth?
- What happens during exponential growth?
- How does exponential growth look on a graph?
- What happens during logistic growth?
- How does logistic growth look like on a graph?
- How can you tell what the carrying capacity is for a population by looking at a graph?
- What factors determine carrying capacity?
- What are some examples of limiting factors?
- What limiting factors depend on population density?
- What limiting factors do not depend on population density?
